**RESOLUTIONS OF THE NEWTON COUNTY BAR ENDORSING JOHN T. STURGIS FOR COURT OF APPEALS.**

We, the members of the Newton County Bar, knowing that Hon. John T. Sturgis of Neosho, Missouri, has at the solicitation of many attorneys and leading democrats of Southwest Missouri, become a candidate for nomination, at the hands of the democratic party, for one of the places on the Bench of the Springfield Court of Appeals to be filled in 1912, and knowing that Mr. Sturgis is now and has been for more than twenty years one of the leading lawyers in Southwest Missouri, and that he is eminently qualified by nature and by learning and practice to fill that honored position:

Therefore, be it resolved that, regardless of political affiliation, we take pleasure in endorsing and recommending Mr. Sturgis for nomination as member of the Springfield Court of Appeals and hereby express our faith in his integrity and qualifications for the place he seeks.

And be it further resolved, that the Democratic members of the Newton County Bar hereby tender our assistance in aiding him to secure the nomination and election to such position:

**A LIBERAL OFFER**

By A. B. Knapp The Druggist.

We are glad to announce to the residents of this city that we have taken the agency for the celebrated Ponayo Line of remedies of which there are fifty. "One for each human ill, not one for all ill."

We are authorized to sell these remedies upon a positive guarantee refunding your money if you are not satisfied with results.

Rheumatism perhaps is the hardest disease to combat and cure, but PONYAJO RHEUMATISM REMEDY does cure and is sold with the above guarantee. It is a constitutional remedy acting through the blood and affords prompt relief in acute inflammatory and chronic rheumatism whether muscular or of the joints. It acts as a specific in sciatica, stiff neck, lumbago, inflamed or swollen joints and neuralgic condition.

If you are afflicted do not fail to try this liberal offer.

Attorney General Major was the first candidate for Governor to declare unequivocally against the Single Tax proposition. As a member of the State Board of Equalization he has consistently and steadfastly voted against this theory and method of taxation, and has thereby saved the owners of farm and town real estate millions of dollars. Unless you want the bond holders, corporate stock owners and the railroad interests to entirely escape taxation, and thereby place the whole burden and expense of the state, county, town and township government upon the farmers and owners of town real estate, you should vote for Elliott W. Major for Governor. If he is elected, this unjust idea of taxation will never be adopted. If you vote against Major you thereby endorse the proposition to treble the assessment on your real estate, which means you pay just three times as much taxes in the future as you now pay.

Get your wife a kitchen cabinet and a carpet sweeper and save her all the work and extra steps that she would have to take without them. Just what she wants is down at Bob Callaway's furniture store.

**REASONS WHY CONGRESSMAN DAUGHERTY SHOULD BE RENOMINATED**

1. Because he redeemed the district in 1910, making it actually democratic for the first time in four campaigns; the Republican majority 1908 being 630; democratic majority in 1910, 816.

2. Because he has made a splendid record during his first term and it is an unbroken party precedent in this district to reward a faithful representative with a second term.

3. Because he is the candidate of no clique or faction and his nomination would be equivalent to election. He would have no opposition in his own party after nomination.

4. Because his election would be no "experiment." He has been tested and his record proves he can be trusted.

5. Because as one of the leading members of the Money Trust investigating committee he has rendered the country a great service; his work only having fairly begun he should be returned, if for no other reason, to complete that work.

6. Because he has had the advantage of one term's experience, is a tireless worker and can do more than any new man could hope to do.

7. Because he worked for and supported every measure in which Labor is interested.

8. Because the great problems now confronting the country require men of ripe experience, sound judgment and practical ideas. Men of Jim Daugherty's stamp are needed in Congress to work out these great problems.

**WOODROW WILSON**

One of the greatest Republican newspapers in America is the Chicago Tribune. It was the newspaper that first exposed the Lorimer scandal and led the fight for his removal from the Senate. Speaking of the nomination of Wilson at the Baltimore convention it says:

By the nomination of Governor Woodrow Wilson the Democratic party has placed at the head of its ticket its most promising leader and its strongest candidate.

Governor Wilson represents intelligent progressivism which found successful expression at Baltimore, though it failed at Chicago. He is a man of high personal character, of distinguished intellectual attainments and brief but brilliant political record. He is, moreover, in full sympathy with the nation wide movement to overthrow the alliance between professional politics and organized money, which is the most important factor in American public life today. Fought bitterly by plutocrats, reactionaries, and bosses, and made more recently, the victim of a campaign of misrepresentation and journalistic demagoguery he has grown steadily in public favor and confidence.

The Democratic party is to be congratulated upon the choice of Governor Wilson. It also owes a debt of thanks to Mr. Bryan, whose successful fight in the convention against reactionary plutocracy will go down to posterity as one of the most dramatic exhibitions of the moral influence of a great leader of the people our political history has shown.
